## Accelerated Learning Course

Easter 2012

**A 3-day study skills course  
11 – 14 year olds**

The course, now in its 13th year at King's, has become successful and popular with students and parents alike. It is not a crammer or revision course but a set of skills which will help to raise standards of achievement and personal expectation across the curriculum and beyond.

Adapted for the needs of academic years 7, 8 and 9 the students will learn to speed read, power browse, mind map, manage their time more effectively and become more motivated and goal-seeking.

**2nd – 4th April 2012  
Course Fee = £175**
